Boat:		Trailer:	
Year: _____	Make: _____	Year: _____	Make: _____
Model: _____	Length: _____	Color: _____	Plate #: _____
Color: _____			

NOTE: Please do not hold out for a last boat ride as we need your boat as early as possible this year. The weather has turned early the last several years and we have been forced to winterize at the last minute. **You will need to drop your boat off and request winterization by submitting this sheet at least (2) weeks in advance of ANY freezing temperatures and you will be responsible for your boat for those (2) weeks.** Keep in mind we can only winterize a certain number of boats per week, so they will be done in the order they are received.

Make sure to leave keys in boat (\$35.00 charge for no keys)

Location of boat:

- _____ I will not be storing my boat at Castaway Marina and would like it delivered to my house
- _____ I will be storing my boat at my dock

Friendly Reminders:

- No service will be scheduled if there is an outstanding balance for service, storage, dockage, etc.
- **YOU will need to add gas before boat is winterized (We will not have dockhands present to pump gas)**
- **YOU will need to pump out your waste system (We will not have dockhands present to pump waste tanks)**
- All service work must be paid in full before the boat leaves Castaway Marina.
- Payment for service invoices is due upon receipt. If payment is not received within 30 days, late fees will apply each month.
- If storing your boat **do not fill the gas tank over ¾ full.** (gas expands in the warmer spring months and can come out the vent).
- With today’s ethanol blended gas, it is very important for you to add stabilizer and run it through the engine during your last boat ride.
- Please make sure all batteries are fully charged before leaving boat.
- Please remove ropes, life jackets and other items from storage compartments adjacent to engine.
- Boats must be picked up within 10 DAYS of service being completed (\$10.00/day fee will charged thereafter)
- Castaway assumes no responsibility for damage caused to canvas/eisenglass by removing and installing. Camper tops should be removed and regular covers installed (if you have them).
- Please leave fresh water tanks empty if possible.
